

13. It is absolutely important that every leader must pray every day for his portion of wisdom.
14. Leaders must use initiative as this is the ingredient that moves them forward in life while others are standing still.
15. A leader sees opportunities and solutions and does not focus on problems. The difference lies in how you approach every task, assignment and challenge.

Remember

- Leaders become great, not because of their power, but because of their ability to empower others. John Maxwell.
- A leader is one who knows the way, goes the way, and shows the way. John Maxwell.
- The quality of a leader is reflected in the standards they set for themselves. Ray Kroc.
- If your actions inspire others to dream more, learn more, do more and become more, you are a leader. John Quincy Adams.
- Great leaders don't set out to be a leader... They set out to make a difference. It's never about the role – always about the goal. LisaHaisha.com

Leadership

Your Journey to Victorious Living

Week 1 – 7

Keys of leadership

1. True leaders take years to develop.
2. Trust in leadership can only be derived from a relationship with God.
3. No leader can develop people beyond his own experience.
4. The quality input a leader makes in his followers' lives will determine the success of his ministry in the future.
5. Regardless of how brilliant your vision is, you will first have to win the hearts of those that work with you before they will work with you on your vision.
6. A good leader is one who can make his vision everybody's vision.
7. A good leader will not exhaust his people by giving them various time wasting and worthless tasks to do.
8. A leader has the mentality of a pioneer.
9. The key to good leadership is to find momentum and then to maintain it.
10. To be a successful leader, you must build the right foundation in your personal life. You can only teach others effectively through your own success.
11. Nobody has to be a weak leader. Every leader has a God-given ability to increase his level of expertise and potential through proper training.
12. An important aspect of leadership is to hear God's voice.
