What a lovely name the name of Jesus

What a lovely name the name of Jesus
Reaching higher far
Than the brightest star
Sweeter than the songs they sing in heaven
Let the world proclaim
What a lovely name

He made the stars to shine

He made the stars to shine
He made the rolling sea
He made the mountains high
And He made me
And this is why I love Him
For me He bled and died
The Lord of all creation
Became the crucified

How big is God, how big and wide His vast domain

How big is God
How big and wide His vast domain
To try to tell
These lips can only start
He's big enough to rule this mighty universe
Yet small enough to reign within my heart

Because He lives

Because He lives I can face tomorrow
Because He lives all fear is gone
Because I know yes I know
He holds the future
And life is worth the living just
Because He lives
