- Ownership of unclean demonic objects.
- Failure to cleanse your property and environment from all evil spiritual contamination such as occult objects.
- Failure to pay tithes.
- Lack of forgiveness.
- Lack of separation from the things of the world.

KEYS TO THE MINISTRY OF CONFLICT

- Repentance.
- Discernment. Know how to overcome.
- Persistence.
- Violence through prayers.

WHAT TO DO WHEN IN A SITUATION

- Calm down.
- Get yourself into a neutral gear and the Holy Spirit will be able to give you instructions.

PRAYER POINTS

1. I set myself loose from all problems emanating from the womb, in the Name of Jesus.
2. Every strongman attached to any area of my life, be driven out and release that area, in the Name of Jesus.
3. Power of God, come down, in the Name of Jesus.
4. I break myself loose from any satanic bondage and from every dark place, in the Name of Jesus.
5. You spiritual thieves, release my property, in the Name of Jesus.
6. Any secret behind my problem that I do not know, Lord, reveal them unto me, in the Name of Jesus.

THE SCIENCE OF SPIRITUAL VIOLENCE

- Matt 11:12; 17:20-21
- Holy violence is required to be where God wants us. (Isa 42:7; Matt 12:29)
- Best method of defence is to **attack by READING and PROCLAIMING God's WORD, PRAYING and living a life of OBEDIENCE and FAITHFULNESS.**
- Forcefulness is an attitude of determination.
- Violent people (people who **PRAY and DECLARE GOD'S WORD OVER THEIR LIVES AND SITUATIONS and live in OBEDIENCE to GOD**) never give up.
- John 10:10 – Devil steal, kill and destroy
- We should not be kind to a destroyer who is ready to destroy a believer at the slightest opportunity.
- **We must run, wrestle, agonise in prayer, and fight to paralyse opposition, we must do it with all our might, with persistence.**
- **We must have the desire to be victorious at all cost, all the time.**

PRAYER POINT

Let the anointing to destroy the works of the enemies come upon my life, in the Name of Jesus.

Jesus came to SAVE, HEAL, DELIVER

HOW TO OBTAIN DELIVERANCE

- **Spiritual growth.** You will no longer be influenced by certain things which had a hold on you before.
- **Word of God.** Your life would be fashioned after the things you confess and what the devil says about your life will not prosper anymore.
- The devil cannot withstand somebody who is always **praising God.**
- **The ministry of conflict.** This is when the enemy wages war against you and you too declare war against him by attending deliverance services or by conducting personal deliverance.
- **Personal effort.** **Pray yourself through** and your deliverance remains permanent.

God is looking for violent soldiers who will drink the blood of the enemies and slay giants. God is looking for people who will confront and conquer. What you need is victory at all cost.

PRAYER POINTS

1. Every evil finger pointing at me. I command you to wither, in the Name of Jesus.
2. Every spiritual evil tree planted against me, be frustrated, in the Name of Jesus.

THE LAWS OF SPIRITUAL VIOLENCE

- **Spiritual warfare must have a purpose for declaring a war.** Example: regain your blessings that was stolen, marriage etc.
- You must **receive proper instructions.**
- You must carry out thorough **self-examination to make sure you have no loopholes for the enemies to capitalise on.**
- You must be **adequately prepared** through fasting, the Word, getting your mind right.
- You must possess **stubborn faith that does not give up.**
- You must **issue aggressive challenges.**
- You must **be living a holy life.** Any form of unrighteousness will render a person powerless.

STRATEGIES OF SPIRITUAL VIOLENCE

- Identify clearly what you are fighting against.
- All fear must go because anything can happen at the war front.
- **You then DECLARE WAR against the situation WITH THE WORD OF GOD, PRAYERS, FASTING and HOLY LIVING. The devil does not understand any other language apart from violence.**

PRAYER POINTS

1. (Lay your right hand on your head and pray this way) Anything in my life cooperating with my enemies, depart now, in Jesus' Name.

2. I fire back every arrow of household wickedness, in Jesus' Name.
3. (Stretch your two hands forward as if you want to receive something and pick the things you want in your spirit one after the other and say) I receive it back from the hands of the enemies, in Jesus' name.
4. Now say: You devil, return it seven-fold, in the Name of Jesus.

LORD BEHOLD THEIR THREATENINGS

Any power militating against a true child of God is looking for problems.

- **Such a power wants to sink into the Red Sea after the order of Pharaoh.** It is seeking to be destroyed by God's anger after the order of Senacherib. One angel defeated 185,000 people.
- Such a power is seeking to fight and oppose itself. It is seeking to **receive the stones of fire, after the order of Goliath.**
- Such a power is **seeking to be substituted in the evil that he or she is trying.** Such a power wants to receive what we call divine hail stones.
- Such a power is **looking for compulsory and forceful burial after the order of Korah, Dathan, and Abiram.** It is seeking to be eaten up by worms, after the order of Herod and to be pursued by terrifying noises after the order of the Syrians.

PRAYER POINTS

1. Every witch living in my surrounding, receive the stones of fire, in the Name of Jesus.
2. Any evil vessel conveying my information to the evil world, be paralysed now, in the Name of Jesus.

DECLARATION

Evil powers might be drinking other people's blood and wasting their lives, my case is

different. Every power designing shame and embarrassment for me, be paralysed, in the Name of Jesus. Any power that says I should eat sand, should eat sand, in the Name of Jesus.

The Lord gives His angels charge over us and our lives to send them forth to slap our enemies, block their transport routes, invite special fires, attack with the sword or give a last warning, where need be stretch out their hand and bring destruction in the enemy's camp. Psalm prays "Let the angels of God pursue them. Let them have no rest day and night".

1. Father I ask: "Let Your angels pursue and persecute all the enemies of my soul, in Jesus' Name".

PRAYER POINTS

1. Let God be God in all my situations, in the Name of Jesus.
2. Lord, let it be known that You are God and also God in my life, in the Name of Jesus.
3. Lord, do a new thing to my enemies.
4. Let the earth open up and swallow every stubborn pursuer, in the Name of Jesus.
5. Lord God of Abraham, Isaac and Jacob, manifest Yourself in Your power in my situations.
6. Lord God of Elijah, answer my prayers by fire, in Jesus' Name.
7. Every power challenging divine power in my life, be disgraced now, in the Name of Jesus.
8. Every satanic plan against my life and the life of my family members (name them), be rendered impotent, in the Name of Jesus.
9. Every evil power assembled against me and my family (name them), be scattered unto desolation, in the Name of Jesus.
10. Lord, behold the threatening of my enemies and silence them.
11. I shall laugh last, in the Name of Jesus.
12. Lord, let my prayer letter arise in Your signs and wonders to me.
13. Every rage of the enemy, be quenched, in the Name of Jesus.

VIOLENT PRAYERS TO DISGRACE STUBBORN PROBLEMS

Dr. D. K. Olukoya

LIFE IS A BATTLE

- If you refuse to attack the devil, he will attack you.
- If you fail to exercise your authority in Christ, the devil will exercise his authority over you.
- Satan will never hesitate to exploit any weakness in your life against you. He will use all the slackness in your spiritual life to gain advantage over you.
- Know the roots of your problem. If the root is unknown, the problem may remain forever.
- Spiritual warfare is directed against powers of darkness; not towards a person.

THE WAY OUT

- ***Become mature in Christ.*** Some spirits will leave your life because of the discomfort which they find within the vicinity of your life.
- ***Study and memorise the Word of God.*** When you know your authority and rights as a Christian and go ahead to claim the promises of God, you will experience deliverance.
- ***The ministry of conflict.*** Satan is a thief who must be prosecuted (Eph 6:12). You must detect the different door ways open to the enemy and how he got there. You must know how to close such doorways so that the thieves can lose their right of entrance.
