## **IN YOUR ARMS**

© 2005 TONO, Norway/Bring It Back Home Music

Through the storms of life  
Lead me into Your light  
Give my heart a new song  
When I'm weak, make me strong  
By Your Word lead me  
Into pastures of peace  
Hold me close  
Safely rest in Your arms

You're my Redeemer  
And Amazing grace  
My Fortress and my hiding place  
You're my Deliverer  
My solid Rock  
My soul's desire is in You

Through the storms of life  
Lead me into Your light  
Give my heart a new song  
When I'm weak, make me strong  
By Your Word lead me  
Into pastures of peace  
Hold me close  
Safely rest in Your arms

Through all creation  
Your ways are known  
'Cause You are the God who's God alone  
Let every, let every nation  
And let every tongue  
Confess that You are Lord of all

### The Bible says:

God is a very present help in the time of trouble  
He is our light and our salvation  
A lamp unto our feet and a light unto our path  
He has put a new song in our mouths, even praise unto our God

## **SPREAD MY WINGS**

*(Tania Berrangé © 2009 CRYSTAL MUSIC PUB)*

I've been forgiven of much through the power of His blood  
I've been set free death has no hold on me  
I have found joy and peace in the goodness of God  
I have faith in His love ever-changing my life

The more of God I know, the more I grow  
My heart will not faint God is in control  
Empowered by His love, perfected in His glory  
Through the patience of His love, I have been made holy

**And I will spread my wings and fly  
This old world won't hold me down  
As I'm standing on the edge of another challenge  
I have the ability to choose  
To hold the hand that lifted me  
I'm the spirit that is full of You  
You strengthen me oh Lord  
As I wait upon You Lord  
As I walk in Your light in Your everlasting truth**

I'm being pressed on every side, but I'm not in distress  
And when in doubt, I am not in despair  
Though I'm being persecuted, I will never be abandoned  
When thrown down, I will not be destroyed

The more of God I know, the more I grow  
My heart will not faint God is in control  
Your strength overtakes where I fail in my own power  
You are faithful o God every day and every hour

Hold me close to Your side  
As I take another stride  
I won't look to the left  
And I won't look to the right  
Hold me close to Your side  
As I take another stride  
Stepping into the unknown  
Praising God Who's on the throne

## **JESUS, SAVE SOUTH AFRICA**

*(Willie Botha © Crystal Music Pub) Translated Tania Berrangé*

We call on You Lord, in Jesus Name  
Change our circumstances in South Africa  
Our faith, make it stronger  
Ignite revival in the church  
Help guide us to respect our fellow-man  
This is my prayer

People throughout the world face the same crisis everyday  
Some remain positive  
While others live in fear  
Emigration has been considered  
While others choose to stay  
But my prayer is Jesus Christ please  
Save South Africa

We honor You as God, You are in control  
Give wisdom to our leaders in South Africa  
Heal our people from aids disease  
Lord help us that crime will cease  
Give work to every one in our land  
This is my prayer

## **DESTINY IS CALLING**

*(Tania Berrangé © 2009 CRYSTAL MUSIC PUB)*

**What are you afraid of  
Don't hide from the truth  
Never trade your gift for a lie  
Every diamond has its flaw  
But the beauty of it all  
Is God empowers you to shine after all  
*Lift up your eyes from the floor  
Your time is coming after the storm  
Don't be afraid of what is coming your way  
God is in control***

Lift up your head, be strong  
It's time to sing your song  
Lift up your head, be strong  
The world is waiting for your gift  
Step into your miracle  
There's a mountain to be conquered  
Destiny is calling you  
To places where you've never been before  
*God is with you, every step of the way (sing your song)  
God is with you, every hour every day (sing it loud)*

**Drop your defenses  
Before it cages you in hate  
Admit where you were wrong  
Every hero has to fall  
You won't always have it all  
So let us tear down every wall  
*Lift up your eyes from the floor  
Your time is coming after the storm  
Don't be afraid of what is coming your way  
God is in control***

New heights, new pastures  
Leave the past behind you  
Let go of the pain, let go of the fear  
No holding back, no matter the tears
